To Whom It May Concern:

The University of Illinois is pleased to confirm that campus will be open for Summer 2021. Teaching will be a hybrid format of both in-person courses and distance learning. The Summer semester will start classes on June 14th, and while we recommend that you report to campus by the program start date on your I-20 or DS-2019 to allow for effective COVID-19 testing and quarantining, we are allowing students to arrive as late as June 13th.

International Student and Scholar Services will appropriately update the SEVIS records of all incoming and continuing F-1 and J-1 students as required by the Department of Homeland Security throughout the Summer semester.

Sincerely,

Martin McFarlane
